

To Whom It May Concern:

I am forwarding this letter to personally thank you for choosing my office to help you with your periodontal and implant needs. My office philosophy is based on offering the highest quality of care while trying to keep fees at a reasonable level. We work on an appointment basis and will try to respect your needs. Therefore we ask that you be prompt to your appointment. If you need to change your appointment we ask that you give us at least twenty-four (24) hours notice so that the time may be used by other patients in need.

We have enclosed a medical and dental history form that I ask you to bring to your initial visit. If you have dental insurance forms, please also complete your portion and bring these with you for this visit. At this visit we would appreciate fee for service at the time of your initial appointment but will assist you with insurance and other financial arrangements for future visits.

I again thank you for your confidence in my office and as always if you have any questions prior to your appointment, please feel free to give me a telephone call. You may also reach us on our new website www.dagimplantperio.com.

Very Truly Yours,

David A. Goldberg, D.M.D.
